# Hey lovely, welcome to The Hair Base Christmas Guide.

**& milk  
shake®**

We wanted to make Christmas shopping easy and fun for you, so we gathered our fantastic gifts and packages together, sprinkled our THB Christmas sparkle and created this interactive digital magazine. Every product has been specially chosen and displayed with a link joined to it, so all you have to do is click on the product's name or click to buy icon, and it will take you to the page to buy it.

**Easy!**

We've even included a print-off shopping list so you don't forget which gift you have chosen for each person.

Delivery is included on most of the purchases, or click-and-collect is also available. We also have lots of stock in the salon, so be sure to check them out at your next appointment.

If you are looking for something more personal ideas or struggling with a special gift, then please do reach out to one of The Hair Base team and we will happily help!

*HAPPY CHRISTMAS SHOPPING.*

The background is a light blue gradient decorated with various winter-themed elements. There are several teal-colored evergreen trees of different sizes scattered throughout. Interspersed among the trees are white and light pink snowflakes of various designs. A thick, gold-colored ribbon with a slight sheen and shadow is draped across the bottom and left side of the image. In the top right corner, there are strings of warm white lights, some of which are blurred to create a bokeh effect. Small white dots are also scattered across the background.

Let the
